1802 FORREST ROAD WILMINGTON, DELAWARE 19810 (302) 475-5636

November 15, 1983

Dear Roger,

Nice to see you last week. Thought we had a good meeting.

Here are the negatives. They look OK. I develop them for high contrast. Some of them, particularly the ones taken with flash, would be better with a less than normal contrast paper.

See you soon.

Yours,

Jules
